As a community art center serving Cape Cod, our mission is to provide educational and exhibition opportunities year-round for artists, art students and art appreciators of all ages and abilities. In 2019, we provided six terms of 8-week art classes and four terms of 10-week clay classes. Classes were available in drawing; painting in oils, watercolors and pastels; ceramics; sculpture; weaving and more. For clay students, there was open studio time. For children, we offered classes, vacation camps and early release day activities. Also offered were workshops, art films, lectures, field trips to off-Cape museums and panel discussions. The Upper Cape Camera Club meets and exhibits at the Falmouth Art Center.

Exhibits in the Art Center’s three galleries were changed monthly, presenting juried and invitational group shows of professional, semi-professional and student work. The upstairs Sigel Gallery was rented to artists to present one- or two-person shows. We are always open to widening our offerings to include new media, teachers and presenters. Bring your ideas so we can work together to serve the full range of art interests in the community.

The Falmouth Artists Guild was established in 1966 when a small group of Falmouth painters gathered and began informal art classes. They soon realized that working in a group improved their love of art and their artistic skills. Since their formation the Guild has grown in ways the founders never could have imagined, and today we are the Falmouth Art Center, a 501c3 tax-exempt, non-profit organization with more than 800 members and a full roster of classes, workshops, exhibits, and art activities offered on a year-round basis.
Letter from the Board President

2019 has been a year of discovering new and fun offerings at the Falmouth Art Center. Our classes, workshops, lectures, kids camps and exhibitions are very popular in our community. But it has been very fun to discover that the Vinfen, Recovering Champions, Alheimers and Fairwinds communities are now enjoying the Art Center too. Under the excellent leadership of our Executive Director, Laura Reckford and her dedicated staff, we have been able to increase the amount and variety of classes and workshops that we offer over the past year and because of our talented and caring teachers we have more people signing up for these classes than ever before.

For me, it has always been fun to learn how to do new things and with all the new classes that we offer, I signed up for something I’ve never done, a pottery class. Every potter I have talked with loves the clay department. I had always heard that throwing a pot on a wheel was difficult, so I took on the challenge. On the first day of class, my teacher Hollis Engley, demonstrated 4 times how to center clay and throw a bowl on the pottery wheel. When at last I was ready to attempt to throw a bowl, my extremely patient teacher was there to guide me every step of the way. “Get the wheel moving, stop, hold your hands like this, stop, get your hands wet, stop, slow the wheel down, stop, pull the clay like this”, Hollis coached. In 15 minutes with clay everywhere I had made a bowl. It was really fun to work with clay and to meet some new friendly potters.

My hope is that you’ll discover some fun at the FAC and maybe challenge yourself to try something new. We have a supportive community of artists, from beginner to experienced, that make the FAC a fun place to discover and grow your inner artist.

- Carla Hutker

From the Executive Director

My thanks go out to Falmouth Art Center staff, teachers, students, volunteers and visitors for a stellar 2019. The support shown by many in our community toward this organization has been impressive.

Our attendance rose steadily throughout the year at our 36 gallery shows, and the number of artists submitting work also increased, with a total of more than 500 local artist exhibitors participating. Our membership also hit impressive heights, with 856 people holding memberships throughout the year, a more than 100 membership increase from the previous year.

Students of all ages came to the Falmouth Art Center, from our youngest at 18 months in a Mommy & Me-style class to our most senior student at 97 years old, a wonderful watercolorist who loves Dan Hanagan’s classes.

We held a total of 243 classes and workshops in 2019, attended by 1,486 people, including 346 children.

Our Clay Department, run by Seth Rainville, continues to appeal to a wide range of students, including a large number of beginners. Our weaving program, run by Christine Anderson, started a Monthly Fiber Group meeting with regular attendance of several dozen fiber artists.

Our more than 100 volunteers, from our board members to receiving volunteers to greeters, and those who help with events, mailings and more, are our heart and soul. We could not exist without them. The Falmouth Art Center is so fortunate to have a phenomenal team in the office: Bethany Cooper, Ashley Heaton and Cathy Smith. They keep the place humming along.

We hope to see you soon!
- Laura M. Reckford

OUR STAFF

Executive Director.................................Laura M. Reckford
Assistant Director......................................Bethany Cooper
