

FALMOUTH ART CENTER ANNUAL REPORT 2020

OUR MISSION

Falmouth Art Center is dedicated to the visual arts, providing educational and exhibition opportunities year-round. We welcome students of all ages and abilities and all who enjoy and appreciate art. Since our humble founding 55 years ago based in the town's Poor House, we have grown significantly as a community art center serving the region and our more than 800 members.

In 2020, we offered eight terms of six-week art classes. We also offered four terms of 10-week pottery classes in our state-of-the-art Clay Studio. More than 1,000 students took classes and workshops in drawing, painting in oils, watercolor and pastels, mixed media collage, ceramics, sculpture, weaving, photography and more, in person and online on the Zoom meeting platform. For children, we offered classes, vacation camps and early release day activities.

There was Open Studio time for clay and weaving students. There were meetup groups for fiber artists, plein air artists (Monday Morning Painters) and figure painters (Friday Figure Group). The Upper Cape Camera Club meets and exhibits at the Falmouth Art Center.

Pandemic restrictions moved our activities online beginning in March 2020. For the rest of the year, there were virtual receptions and art history lectures on Zoom, as well as Zoom classes all year. Some in person classes restarted in late June 2020.

More than 400 artists, including 79 teenagers exhibited in 36 shows held in the Art Center's three galleries. There were juried shows and open shows plus invitational group shows of professional, semi-professional and student work. The Art Center also held several online only shows during the pandemic lockdown, as well as online and in person shows all year.

Highlighting the talented young people in our community, a show of Falmouth High School Art Honor Society students was posted on our website in Spring 2020. In the fall of 2020, the Art Center partnered with Falmouth Public Schools and the League of Women Voters of Falmouth for a show by teens and adults featuring posters and artwork encouraging people to vote.

The Falmouth Art Center stayed active during this unusual year, moving programming online and engaging artists and students with quality programming online and in person year-round.

MESSAGE FROM THE PRESIDENT OF THE BOARD OF DIRECTORS AND THE EXECUTIVE DIRECTOR

The year 2020 was certainly one for the history books in so many ways. With a pandemic raging for most of the year and a nationwide call for racial justice, there was nothing ordinary about this year at the Falmouth Art Center.

We surprised ourselves by taking on the challenges of the pandemic, finding new ways to present classes, exhibits and lectures online. The pandemic taught us how to be nimble and creative in continuing to fulfill our mission, no matter what obstacles were in our way.

After a three-and-a-half month closure in Spring 2020 as required by Governor's orders, we opened up in late June and stayed open daily throughout the year. We set the Art Center up with plexiglass, hand-sanitizer and HEPA filters and welcomed people back. We set up a large tent outside for our kids summer camp and heard from many parents about how grateful they were for in person programming.

The racial justice movement inspired the formation in spring 2020 of our new Diversity and Inclusion Committee, which has already organized a number of events that have attracted a more diverse audience to the Center.

We are grateful for our intrepid staff—Cathy, Ashley, Bethany and Seth--who stayed flexible and extremely helpful during the many twists and turns of this year. Our phenomenal teachers bravely addressed the challenge of teaching online classes and also in person classes with new strict health protocols.

We also extend a special thank you to our community for their support, including many local artists who participated in our exhibits and programs. We turned our in person receptions into Virtual Receptions with tours of artist studios. We turned our

Art Talks into virtual talks with a focus on art history. Our new book group was also virtual and we were pleased to have hundreds of participants at these new programs.

Throughout the year, more than 100 volunteers helped us in many ways from assisting with events, mailings, office work, greeting, receiving and so much more. They kept us humming along and we could not exist without them.

A big thank you to all our supporters this year. We needed you more than ever and you were there for us! We hope to see you soon at Falmouth Art Center.

Our best,

Charlotte Harris

**Laura M. Reckford,
Executive Director**

P.S. Exciting News: The pandemic inspired us to build outdoor classroom space and a new gas kiln. A major grant from the Hermann Foundation plus generous support from local donors will allow us to complete this project in 2021!

FAC board members plus volunteer Nancy Warren gathered for a clean-up of the grounds in October 2020.

OUR HISTORY

The Falmouth Artists Guild was established in 1966 when a small group of Falmouth painters gathered and began informal art classes. They soon realized that working in a group improved their love of art and their artistic skills. Since their formation, the Guild has grown in ways the founders never could have imagined, and today we are the Falmouth Art Center, a 501c3 tax-exempt, non-profit organization with more than 800 members and a full roster of classes, workshops, exhibits, and art activities offered on a year-round basis.
