FALMOUTH ART CENTER
ANNUAL REPORT 2021

OUR MISSION
Falmouth Art Center is dedicated to the visual arts, providing educational and exhibition opportunities year-round. We welcome students of all ages and abilities and all who enjoy & appreciate art.

Since our founding 56 years ago when we were based in the town’s Poor House, we have grown significantly as a community art center serving the region and our more than 800 members.

In 2021, we offered eight terms of six-week art classes. We also offered four terms of 10-week pottery classes in our state-of-the-art Clay Studio. More than 1,400 students took classes and workshops in drawing, painting in oils, watercolor and pastels, mixed media collage, ceramics, sculpture, weaving, photography and more, in person and online on the Zoom meeting platform.

For children, we offered classes, vacation camps and early release day activities.

We offered Open Studio time for clay and weaving students. There were meetup groups for fiber artists (Fiber Group), plein air artists (Monday Morning Painters) and figure painters (Friday Figure Group). The Upper Cape Camera Club meets and exhibits at the Falmouth Art Center.

In 2021, we offered all of our traditional in person activities as well as online offerings. For the first half of the year, we held our receptions on the Zoom meeting platform, visiting the studios of artists.

We went back to monthly in person receptions in July of 2021 and these continue to be enjoyed by artists and community members.

In July 2021, we held our first outdoor Clay Sale, offering the works of our teachers and advanced students. It was a big success.

We also offered a robust series of art history talks online as part of our spring fundraiser, You ART What You Eat. In addition, we started up author talks on Zoom, an initiative of our Diversity and Inclusion Committee’s Falmouth Art Center Book Club. The Book Club also partnered with Falmouth Public Library for a talk about the book, “Circe,” which we combined with a Circe-inspired art show.

The Art Center partnered with Falmouth Public Schools for a poster exhibit about Juneteenth.

Almost 400 artists, including more than two dozen teenagers exhibited in 37 shows held in the Art Center’s three galleries. There were juried shows and open shows plus invitational group shows of professional, semi-professional & student work.

We held our Annual Artists Yard Sale in May 2021 on a sunny day with ample crowds enjoying the extensive outdoor sale. At the end of the year, our six-week Holiday Market was also a hit.

The Falmouth Art Center had a busy year of programming, both in person and online, as we meet the needs of artists & art lovers throughout our community.
The year 2021 was the year we started getting back to normal after 2020’s pandemic year. We were so happy to have our monthly art receptions back in person and to have a steady stream of visitors all year. Instead of closing or offering fewer options, we expanded with more classes, more exhibitions and more meetup groups and activities.

We have learned a host of lessons from the pandemic year. Most of all, we learned we are nimble enough to pivot when unexpected things occur—like a worldwide pandemic!

We plan to continue offering some classes on Zoom. We found that many of our students prefer the Zoom option to coming to class in person. For some, it is because they live out of town. For others, it is more convenient to make art in their home studio instead of packing everything up and traveling to the Art Center. For us, it allows us to continue to serve our students wherever they live.

On the other hand, many students were thrilled to be back in person in classes with their favorite teachers. We are so pleased that we were able to get right back to offering in person classes throughout 2021 with no pause in the schedule.

We ramped up our kids classes, especially our summer camps. In 2021, we held our camps outside under a tent for the second year in the row. The new outside program has been so popular with children and their parents that it motivated us to construct our own outdoor classroom space in our backyard. That space is now completed and exceedingly elegant. We are dedicating it to our excellent faculty who have been key to our continuing success during this time.

As always, we are grateful for our exemplary office staff—Cathy, Ashley and Bethany—who have become expert at problem-solving during ever-changing scenarios. Our new Ceramic Studio Manager Patrice Mogan has hit the ground running, accomplishing major tasks with the help of our many Clay Studio volunteers.

We thank all of our supporters, including our members, students, visitors and volunteers, for all they do to help us keep going throughout the year. Our more than 100 volunteers pitched in with everything from receptions to receiving artwork to event support and office tasks. It is no exaggeration to say, we could not exist without them.

We hope to see you soon at Falmouth Art Center!
Our best wishes,

Charlotte Harris, Laura Reckford
President, Board of Directors Executive Director

P.S. A big thank you from Charlotte Harris, Board President, to all the members, artists, supporters and volunteers who have made her tenure on the board such a pleasure for all these years she has served on the Falmouth Art Center Board.

OUR STAFF
Executive Director..........................Laura M. Reckford
Assistant Director..........................Bethany Cooper
Marketing Coordinator & Office Manager..Ashley Heaton

OUR HISTORY
The Falmouth Artists Guild was established in 1966 when a small
group of Falmouth painters gathered and began informal art classes.
They soon realized that working in a group improved their love of art
and their artistic skills. Since their formation, the Guild has grown in
ways the founders never could have imagined, and today we are the
Falmouth Art Center, a 501c3 tax-exempt, non-profit organization with
more than 800 members and a full roster of classes, workshops,
exhibits, and art activities offered on a year-round basis.
