## FROM THE PRESIDENT OF THE BOARD OF DIRECTORS & THE EXECUTIVE DIRECTOR

We're happy to report that 2022 was a year of continued growth for Falmouth Art Center. Most importantly, our community came together for receptions, talks, and meetups throughout the year, making Falmouth Art Center a true community center for the arts.

Our three galleries plus our classes serve the core of our mission, to provide local artists opportunities to show their work and provide art education for all ages and abilities. The Friday evening openings have been joyous events with a real atmosphere of celebration, sometimes drawing in over 100 people – artists, friends, family, and art lovers alike. To top it off, FAC was awarded "Best Art Gallery" in the Upper Cape in Cape Cod Life magazine.

There were several enhancements to the physical plant. We spruced up the outdoor landscape by removing trees and shrubs that were growing too close together. We also removed some dead trees and branches in the center of the parking lot out of safety concerns. The Board planted a Kousa Dogwood in honor of Past President Carol McInnes and her many contributions to FAC.

We paved the area behind the Hermann Gallery to provide outdoor classroom space and installed a sailcloth awning. The new gas kiln was completed in the shed outside the Landrau-Partan Gallery. This will greatly enhance the ceramics program.

We are grateful to all of our generous individual and family contributors and other grantors.

We also thank our volunteers, over 100 in 2022. We simply could not do what we do without these talented and generous helpers, who greet visitors, fold and stuff mailings, help with exhibits, decorate for events, and so much more.

Our staff is important to everything we do: Cathy, Ashley, Bethany, and Lizzie are a phenomenal team of professionals in the office, and Patrice Mogan runs the Clay Studio with creativity and a steady hand.

We hope to see you soon at Falmouth Art Center!  
Our best,

*Catherine Cetta*  
**President of the  
Board of Directors**

# OUR MISSION

Falmouth Art Center is dedicated to the visual arts, providing educational and exhibition opportunities year-round. We welcome students of all ages and abilities and all who enjoy and appreciate art. Since our humble founding 55 years ago based in the town's Poor House, we have grown significantly as a community art center serving the region and our more than 800 members.

In 2022, Our three galleries changed every month, featuring 36 in 2022, shows including four juried shows. More than 450 artists plus over 100 youth exhibitors displayed work at the Falmouth Art Center in 2022. Among the 2022 shows was a display of art by members of the Wampanoag tribe, with the reception drawing 5 generations of tribe members.

In 2022, we offered eight terms of six-week art and weaving classes. We also offered four terms of 10-week pottery classes in our state-of-the-art Clay Studio. We completed our Outdoor Classroom, with its elegant sailcloth cover. The space provides additional room for summer camps and other classes.

More than 1,500 students took classes and workshops in drawing, painting in oils, watercolor and pastels, mixed media collage, ceramics, sculpture, weaving, photography and more, in person and online on the Zoom meeting platform. For children, we offered after school classes, vacation camps and early release day activities.

There was Open Studio time for clay and weaving students. There were meetup groups for fiber artists, plein air artists (Monday Morning Painters) and figure painters (Friday Figure Group). The Upper Cape Camera Club meets and exhibits at the Falmouth Art Center.

In July 2022, we held our second annual outdoor Pottery Sale featuring the work of our teachers and our advanced potters. Our Annual Artists Fair and Yard Sale in June was also popular, as was our five-week Holiday Market, featuring the work of 112 local artists and crafters—always a crowd pleaser.

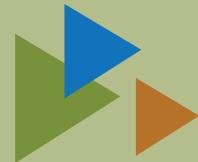

Our Diversity and Inclusion Committee continued its series of free book talks featuring Robin Joyce Miller discussing her friend Faith Ringgold's memoir, "We Flew Over the Bridge"; Wampanoag tribe member Paula Peters discussing "Dawnland Voices," an anthology of indigenous writings; a community discussion of "Ninth Street Women"; and Karen Rinaldo and Kevin Doyle discussing their book, "In the Wake of the Mayflower."

We partnered with Falmouth Public Schools for art exhibits of student work and the work of art teachers. We also held a student photo exhibit inspired by climate change and a student poster exhibit inspired by Juneteenth.

In all it was a very busy year of exhibits, classes and art-related programming for our community.

### OUR HISTORY

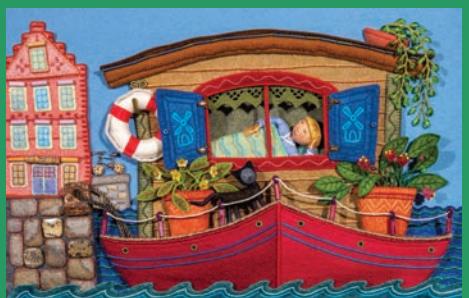

The Falmouth Artists Guild was established in 1966 when a small group of Falmouth painters gathered and began informal art classes. They soon realized that working in a group improved their love of art and their artistic skills. Since their formation, the Guild has grown in ways the founders never could have imagined, and today we are the Falmouth Art Center, a 501c3 tax-exempt, non-profit organization with more than 800 members and a full roster of classes, workshops, exhibits, and art activities offered on a year-round basis.

### DID YOU KNOW?

The Falmouth Art Center offers free classes for people with special needs in the community. We offer free ceramics classes for clients of Fairwinds Clubhouse and Vinfen, which are nonprofit organizations that serve adults living with mental illness. We also offer free ceramics classes for adults with Alzheimer's and their caregivers. We offer free weekly art classes for adults recovering from substance use disorder. Our scholarship funds serve people of all ages in the community who would like to take an art or clay class but cannot afford the tuition.

**About the Surplus:** In 2021, Falmouth Art Center was awarded a grant from the Mass Cultural Council to utilize consultants to compile a Systems Replacement Plan for the building. The plan calculates expenses that will be needed for upkeep of the property for the next 20 years, in order to facilitate board planning. With more than \$200,000 anticipated to be needed for upkeep and upgrades in the next 10 years, the board has been dedicating a portion of surplus funds to FAC's Building Fund. In addition, surplus funds are used for Scholarship funds and put into a Board Reserve fund for emergency and other needs that may arise.

**Our #1 financial policy:** Make no commitments to spend money until we have the money in hand. No debts!

**Our #1 financial goal:** Have income from mission activities grow to be an ever larger share of our total income.
