Up, Up & Away Kids Crafting Day in July 2025 outside under the tent at Falmouth Art Center.

Falmouth Art Center's Annual Summer Ceramics Sale features the work of ceramics teachers and advanced students.

FROM THE PRESIDENT OF THE BOARD OF DIRECTORS & THE EXECUTIVE DIRECTOR

Thanks to our donors, volunteers, faculty, staff, members, and many talented and involved artists and art lovers, FAC has had another strong year. The numbers in this report show that we continue to succeed in our mission: "The Falmouth Art Center (FAC) is dedicated to the visual arts, providing educational and exhibition opportunities on a year-round basis. We welcome students of all ages and abilities and all who enjoy and appreciate art." At the heart of that statement is the word "opportunities." FAC really does offer so much.

In 2025, we held 36 art exhibits in our three galleries. These included the work of 445 adult artists, plus 160 youth artists. Our Holiday Market provided 125 local artists and artisans the opportunity to sell their work and offered members of the community a unique "buy local" holiday shopping experience.

Classes and workshops for adults – held in the evenings and on weekends in addition to traditional daytime sessions - included drawing, oil painting, acrylics, watercolor, pastels, mixed media collage, printmaking, ceramics, weaving and photography. For young artists, our popular after school classes, early release day classes, and summer art camps were all fully enrolled.

Our art appreciation programming continued to grow with three art documentaries and four lectures. These included profiles of historically important artists – Hans Hofmann, Ben Shahn – and prestigious speakers, such as Sebastian

Smee, as well as lesser known but equally fascinating artists – Lois Mailou Jones and the Little Paris Group.

The art center is a non-profit organization, and sustainability relies on sound financial management. This includes having funds set aside for ongoing building maintenance and repairs and other eventualities. This year, we were fortunate to finish with a surplus so that we were able to add to these important reserve funds.

Finally, I would like to extend a heart-felt thank you to all the generous individuals and families as well as several foundations — Bilezikian Family Foundation, Cape Cod 5, Falmouth Fund of the Cape Cod Foundation, Falmouth Cultural Council, Hermann Foundation, Martha's Vineyard Bank Charitable Foundation, Sigel Family Foundation, Woods Hole Foundation — who have contributed funds to the art center. While FAC supports the largest portion of its operating expenses through mission income, we would not be able to thrive without the generosity of donors and grantors.

OUR HISTORY

In the 1950s, a group of artists studying under Angelo Cangiamila, a WHOI engineer, formed Falmouth Artists Guild. They realized that working in a group improved their artistic skills and increased their love of art. They began renting the town-owned Poor House in 1963, where they held classes and exhibits. In 1966, the group officially incorporated as a non-profit. Since then, the organization has grown in ways the founders never could have imagined with over 1,000 members. After constructing our new home in 2010, we began calling ourselves the Falmouth Art Center. Despite our growth, we stay true to our mission created over 60 years ago, offering a full roster of classes, workshops, exhibits and art activities year-round to foster the development of local artists and celebrate the arts on a local level.

DID YOU KNOW?

The Falmouth Art Center offers free classes for people with special needs in our community. We offer free ceramics classes for people living with mental illness, partnering with Fairwinds Clubhouse and Vinfen. We also offer free ceramics classes for people with Alzheimer's and their caregivers, partnering with Cape Cod Alzheimer's Family Support Center. In addition, our scholarship funds serve people of all ages in our community who would like to take an art or clay class but cannot afford the tuition.

ABOUT THE SURPLUS:

Falmouth Art Center was awarded a grant in 2021 from the Mass Cultural Council to utilize consultants to compile a Systems Replacement Plan for the building. The plan calculates expenses that will be needed for upkeep of the property for the next 20 years, in order to facilitate board planning. With more than \$200,000 anticipated to be needed for upkeep and upgrades in the next 20 years, the board has been dedicating a portion of surplus funds to FAC's Building Fund. In addition, surplus funds are used for Scholarship funds and put into a Board Reserve fund for emergency and other needs that may arise.
